## Final Exam Schedule

### Exam Dates: April 29, 2024 through May 3, 2024

These final examination periods are for all schools, on campus, graduate and undergraduate, excluding Law.

Final examinations are held in all courses upon the completion of each semester's or term's work. No one is to be excused from the final examinations. All classes will meet during the time scheduled for final examinations by the Registrar's Office. Students who have three final examinations scheduled on the same day may seek permission from either their instructors or their academic dean to have one exam rescheduled for another day within the final examination week.

The final exam periods are listed here according to the scheduled class meeting times. The final exam period for any class whose meeting time(s) does not appear in this schedule will be held during final exam period at a time determined by the instructor.

Also, any courses that may have been submitted *after* this publication went to press may not be reflected in this schedule. In that event, please check with your instructor for final exam times.

Final exam periods are subject to change if weather prohibits attendance to the scheduled exam times listed. If inclement weather exists, please contact the university for further instructions.
