

Oklahoma City University Final Exam Schedule

Exam Dates: December 15 through December 18, 2026

Final examinations are held in all courses upon the completion of each semester's or term's work. No one is to be excused from the final examinations. All classes will meet during the time stipulated by the Registrar's Office for final examinations. Students who have three final examinations scheduled on the same day may seek permission from either their instructors or their academic dean to have one exam rescheduled for another day within the final examination week.

The following final examination schedule concerns all in-person, 16-week courses. The final exam schedule is organized according to the regular class meeting times. Final exams for once-a-week classes will be held on the same day and time as regular class meetings during finals week.

No exams or other academic activities will take place between 8:00 AM and 5:00 PM on Inquiry Day. Final exams for courses that meet once a week on Mondays at 5:00 PM or later will proceed as scheduled during their regular class time and are not affected by Inquiry Day.

For any classes not listed on the following schedule, please contact the instructor for final exam times or contact the Registrar's Office. If inclement weather exists, please contact the university for further instructions. If you have any concerns or questions, please contact the Registrar's Office.
