Also, please describe or provide a link to program admissions policies that allow students to enter with credit for prior graduate work, and the expected implications for time to completion. Please indicate NA if not applicable:

Our program began in Fall 2018. We allow up to 24 hours of graduate coursework to transfer into the program. The coursework has to be completed within 7 years of admission to the program. For courses to transfer, copies of syllabi for the course that was taken must be provided for review by our Clinical Training Committee who determines whether the course is equivalent and able to transfer. No practicum or internship courses can transfer nor can select courses that contain projects used to measure minimal level of achievement. To transfer, grades of B- or higher are required.
