Also, please describe or provide a link to program admissions policies that allow students to enter with credit for prior graduate work, and the expected implications for time to completion. Please indicate NA if not applicable:

Our program began in 2018. We allow up to 24 hours of graduate coursework to transfer. The coursework has to be completed within 7 years of admission to the program. For courses to transfer, copies of syllabi for the course that was taken must be provided for review by our Clinical Training Committee to determine whether the course is equivalent and able to transfer. No practicum or internship courses can transfer nor can a select few courses that contain projects for minimal level of achievement can transfer. To transfer, grades of B- or higher are required. Approved transfer hours will reduce number of hours taken in program. It will not reduce the length of the program.
