## Final Exam Schedule

**Exam Dates: December 9 through December 13, 2024**

Final examinations are held in all courses upon the completion of each semester's or term's work. No one is to be excused from the final examinations. All classes will meet during the time stipulated by the Registrar's Office for final examinations. Students who have three final examinations scheduled on the same day may seek permission from either their instructors or their academic dean to have one exam rescheduled for another day within the final examination week.

**The following final examination schedule concerns all in-person, 16-week courses.** The final exam schedule is organized according to the regular class meeting times. Final exams for once-a-week classes will be held on the same day and time as regular class meetings during finals week.

**New for Fall 2024 is an "Inquiry Day" on Monday, December 9 in which no exams or other academic activities are conducted between 8:00 AM and 5:00 PM.** Final exams for classes meeting once per week on Mondays at 5:00 PM or later will be held during their regular class period on this day and are unaffected.

For any classes not listed on the following schedule, please contact the instructor for final exam times or contact the Registrar's Office. If inclement weather exists, please contact the university for further instructions. If you have any concerns or questions, please contact the Registrar's Office.
