For Oklahoma City University Transfer Students

## Step #1

### LOG INTO BLUELINK AND SET UP YOUR STUDENT EMAIL ACCOUNT.

**BlueLink** is your link to OCU online services and can be accessed at [bluelink.okcu.edu](http://bluelink.okcu.edu). It is your centralized launch pad with links to get you where you want to go. From here, access your OCU student email account using **Microsoft 365** at [office.com](http://office.com). Access D2L, the OCU Learning Management System, at [ocuonline.okcu.edu](http://ocuonline.okcu.edu). Short Cuts are provided across the top of the page.

Using the BlueLink button on the BlueLink launch pad will take you to Banner Self Service where you can access your university profile, course catalog, financial services, enrollment, financial aid, and grades. Visit [bluelink.okcu.edu](http://bluelink.okcu.edu) to explore these services and many more. Most services accessed from BlueLink require authentication using your university Microsoft 365 account, also known as your email account.

**NEED HELP?** Visit the Campus Technology support portal at [helpdesk.okcu.edu](http://helpdesk.okcu.edu) to report your technology issue or call **405-208-5555** for 24/7 support.

## Step #2

### SUBMIT THE FREE APPLICATION FOR FEDERAL STUDENT AID (FAFSA).

Visit [studentaid.gov](http://studentaid.gov) to complete the FAFSA online. The Department of Education has stated the 25-26 FAFSA may be available as early as **October 1**, and priority consideration for financial assistance is given to students who submit the FAFSA by **March 1**. Before you submit the FAFSA you need to register for the FSA ID. The FSA ID allows you to electronically sign the FAFSA. You can register for a FSA ID at [studentaid.gov](http://studentaid.gov). If Student Financial Services needs any additional paperwork, you will receive an email through your OCU student email account prompting you to log into your BlueLink account to view additional requirements. OCU's FAFSA school code is **003166**.

## Step #3

### REGISTER FOR STARS 101.

Attendance at Stars 101 is strongly recommended for all first-year students. Stars 101 is a day to enroll in classes, attend orientation sessions, and get your student ID. More information regarding Stars 101 can be found at [okcu.edu/stars101](http://okcu.edu/stars101).

## Step #4

### APPLY FOR UNIVERSITY HOUSING.

Students are required to live on campus for at least 3 years or until they turn 21. Students can apply for housing and exemptions at [okcu.edu/reslife](http://okcu.edu/reslife). You will use your BlueLink ID and password to log in to the housing application. Along with the housing application, there is a non-refundable housing fee of \$250. You are encouraged to apply early for housing. The housing application for **Spring** opens **late October**, and the housing application for **Fall** opens **late January**.

## Step #5

### SUBMIT FINAL DOCUMENTS.

**If you have completed any coursework since starting your application, please have your school(s) send us your final transcript(s).**

To be considered official, transcripts must be sent directly from your school to the admissions office. OCU accepts transcripts electronically if the institution participates with a secure online service. If you have AB, IB, or CLEP scores, please send the official scores to OCU. To determine what credits will transfer or to submit additional coursework for credit, visit our Transfer Evaluation Submission System (TESS) at [okcu.edu/tess](http://okcu.edu/tess).

## Step #6

### IMMUNIZATIONS AND HEALTH INSURANCE.

OCU requires that all students maintain student health insurance coverage as a condition of enrollment. OCU has a Student Health Insurance Plan (SHIP) and students are automatically enrolled in this insurance plan at registration, unless proof of comparable coverage is provided.

If you already have health insurance coverage that meets the university's requirements, there is a SHIP waiver available, which allows you to waive the university SHIP and maintain your current coverage. Every student is required to enroll in or waive SHIP coverage each academic year around **July 1**. Your healthcare insurance must provide comprehensive coverage within your in-network provider network in Oklahoma, and it must remain active throughout the full academic semesters during your student enrollment. For more information about the SHIP, submit your documents at [okcu.edu/healthinsurance](http://okcu.edu/healthinsurance).

**The Student Health Center requires an immunization record on file before August 1.**

To submit your voluntary COVID and required immunization records, upload them to the secure document upload site under the Financial Aid tab within BlueLink. Please select Immunization Record when submitting your documents. If you are unable to submit the documents online, you may deliver them to the Campus Health Clinic during business hours. This is for students living on campus.

# Insider Tips

Here are a few tips and tricks that will help make your new life on campus easier.

## ► BOOKS AND SUPPLIES

Pick up your books, OCU gear, and supplies at the Campus Store, found on the lower level of the Tom and Brenda McDaniel University Center.

When you enroll in classes, Slingshot receives a book order from the professor. The books ship directly to campus and are delivered to the student's room before classes start, with no extra fee for delivery. The books are charged to the student's account. After a student orders their textbooks, the balance posts to the account.

Incoming students are automatically enrolled in the program. Any student can opt out of the program or return unneeded books.

Visit the University's campus bookstore at [okcu.edu/slingshot](https://okcu.edu/slingshot).

## ► LEARNING ENHANCEMENT CENTER

Peer educators of the LEC offer free skilled guidance in writing, subject-specific tutoring, and academic coaching. This is a resource for both undergraduate and graduate students where they can get online or in-person help for subjects like College Algebra, Music Theory, Spanish, Biology and more.
