

Financial Resource Statement

United States Citizenship and Immigration Service (USCIS) regulations require documentation that sufficient financial resources are available to meet a student's prospective educational and living expenses while in the U.S. Therefore, Oklahoma City University (OCU) requires a guarantee of financial resources from each applicant who expects to obtain or maintain Student (F-1) or Exchange Visitor (J-1) status. Applicants are required to submit financial documentation that equals or exceeds one full year of expenses for the program of study they are interested in pursuing. Adjustments to the financial certification cannot be made based on a student's individual circumstances. This estimate is based upon 15 semester hours each semester for undergraduate studies. A Certificate of Eligibility (I-20) will not be issued until this information is provided.

This form must be completed by all international students to verify the availability of sufficient financial resources to cover educational, living, as well as other expenses during the period of study at OCU.

OCU seeks to be transparent when it comes to cost of attendance. We recommend that students view the cost rates to help plan and prepare for how you will pay for your desired program. Note that billable and discretionary expenses are subject to change and some costs may not apply to each student.
