1. Report

2. Reach out

CARE
leadership
assigns a
staff
member to
connect
with and
support the
student.

3. Updates

Concerned
parties and
the CARE
team can
share
updates as
needed, on a
need-toknow basis.

4. Connect

A CARE team member meets with the student to discuss concerns and create a plan.

5. Refer

The student may be referred to on- or off-campus resources for additional support.

6. Follow-Up

CARE follows up with students and reporting party as needed.

7. Wrap-Up

Final check-ins occur, and case notes are securely stored for future reference.
